

Curriculum Vitae

Drew Bisping **Rocky Mountain Regional Manager**

Drew has been actively engaged in the new construction, remodeling and restoration industry for a number of years both in the Midwest and Rocky Mountain region. Drew's knowledge, professionalism, and passion for the construction & restoration fields have earned him a reputation as an industry expert. His professional knowledge has been gained through on site project management and production experience, estimating, insurance affiliations, trade associations, and continuing education programs. Blu SKY relies heavily on Drew's management, training, and visionary talents.
