

Curriculum Vitae

Terry L. Shadwick
President.CEO

Terry has been actively engaged in the restoration and construction industry from his early years, first through his family's business, next through college coursework, and most recently professionally for eleven years. Terry's knowledge, professionalism, and passion for the Construction & Restoration fields have earned him a reputation as an industry expert. His professional knowledge has been gained through production experience, estimating, insurance affiliations, trade associations, and continuing education programs. Mr. Shadwick's professional opinions and advice are often sought by those within the general contracting and insurance, engineering, architectural, property management, and restoration industries alike. In addition, Terry is a true champion in the community and has recently been named to The Denver Business Journal's List of 40 Under 40 which features 40 community and business leaders each year. Terry founded Blu SKY Restoration Contractors, Inc. in 2004, which has been winning awards for excellence ever since.

PROFESSIONAL EXPERIENCE

Blu SKY Restoration Contractors, Inc.

Founder and President in a dynamic company catering to the needs of the property loss recovery industry. Responsible for corporate branding, business development, general operations, construction &

management processes, and estimate preparations. Constant attention to industry events, updates, and emerging technologies. Has passed both the commercial and residential examinations administered on the 2003 International Building Codes. In addition, Blu SKY is one of the premier restoration contractors in the state of Colorado in terms of revenue, reputation, and capabilities and comes highly recommended by many insurance carriers, property managers, and forensic engineers in the rocky mountain region. Blu has experienced over 900% growth since 2004 and is one of the top restoration firms in Colorado with 4 offices across the state. In fact, Blu SKY was number 117 on the Colorado Business Magazine's list of the Top 250 Private Colorado Companies in 2009.

Interstate Restoration Group, Inc

Regional Manager responsible for general operations, including; business development, construction management, project oversight, estimating, mold remediation, and national account management. Directed day to day operations, as well as, personal handling of large losses and various consulting assignments, including expert testimony. Personally responsible for opening the Rocky Mountain Regional Office and establishing Interstate's western most presence.

Allstate Insurance Company

Claim Manager and Claim Adjuster involved in all aspects of property losses involving fire, water, and general types of damage. Two years involved in heavy fire & arson loss estimating, adjustments and investigations. Led regional office team as Administrative Claim Manager in charge of state regulatory compliance and internal security measures. Conducted and participated in many corporate training programs. Chosen for national programs in water damage, fire damage, and hail damage protocols. Selected to review Northridge Earthquake files alongside the Federal Bureau of Investigation. Recognized several times with national awards by home office in Northbrook Illinois.

State Farm Insurance Company

Claim Representative responsible for managing 1st and 2nd party files, evaluating, negotiating, and settling losses. Directly involved in all scoping and estimating on property losses. Investigated and evaluated casualty files to conclusion independently and with legal counsel. Trained and implemented Special Investigation techniques as appropriate. Appointed reinspector in first catastrophe event.
