

# **FIRST AID™** DISASTER RESPONSE PLAN

## RAISING THE BAR IN DISASTER RESPONSE

We work regularly with property owners and managers across the United States, and they've told us they're concerned about not being adequately prepared in the event of a disaster.

### BLUSKY DEVELOPED FIRST AID DISASTER RESPONSE PLAN™ 2.0 TO ADDRESS THOSE CONCERNS

- Easy to access – puts all information in one place
- Gives you the ability to plan ahead by creating and storing disaster plan protocols directly in the software
- Property emergency contact and building information are easily updated from any PC, smartphone, or tablet

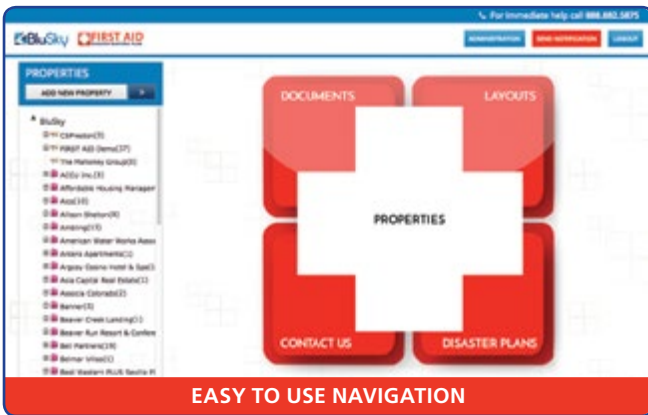

### IT PAYS TO BE A FIRST AID CLIENT

- Receive priority status in the event of a widespread disaster
  - Your loss has priority before existing non-First Aid customers
- Our First Aid clients can reduce financial losses
  - You receive priority pricing
- You get peace of mind
